

A Communion

A324 Sunday Address 17th January 1960 New Lands, Liss Sunday Service

Text: a two-page carbon copy of a typescript, possibly by AMI. It seems to be a communion by White Eagle after an address by another, rather than a full address. Advertising forthcoming activities, *Stella Polaris* simply records 'Sunday service' for this day, at New Lands, rather than giving a speaker's name.

Context: see 'Text', above.

General Notes: though only a communion, these paragraphs manage to bring in the Rosicrucian brethren, the brothers of the Star, and brothers of the Ancient Wisdom. It is a vision of a communion taking place in a temple – obviously a spirit temple, but with at least a hint of a vision of the first White Temple, which was opened fourteen years later, on 9 June 1974.

White Eagle's Address:

Message received from White Eagle at New Lands service on Sunday, 17th January 1960.

Our beloved, beloved little company, will you come with us? And we will take you to the temple in the heavens ... a temple built of light. Visualise for yourselves this etheric building. Create the architecture in your innermost being and see the beauty which is built in the spirit realms. And in this building there are assembled Brothers of the Rosy Cross, Brothers of the Star, Brothers of the Ancient Wisdom, and with them those who are your own loved ones.

You are as a grand company waiting for the presence of the Son. He who is all love comes to you, his younger brethren. He stands now before the altar, the communion table. See him in his simple beauty.... He offers you the heavenly bread that you may eat and be strengthened. He offers you the wine, the divine essence of life. Sip from this chalice, which he offers you now

We are in the Holy Presence and in company with the souls, the great souls who have attained to the perfection of the Christ. Together partners with your loved ones you stand in his light. May his light be shed upon your pathway as you tread [it] in the New Year. Make no decisions without looking towards him and his messengers of the spirit. Wisdom will be dropped into your minds. You will know in your heart the way to act on every plane of your being – physically, materially, mentally, spiritually.

So, dear ones, have courage. Be full of hope, and then you will be aware of the wondrous love of divine intelligence directing you, protecting you, blessing you in all your ways. And peace be with you and joy infinite be in your lives henceforth. Amen. Amen. Amen.

We have to give you in human language love truly from your own dear ones in spirit, from parents, from husbands and wives, brothers and sisters and children. Your own loved ones send you their special love.
